FOR IMMEDIATE RELEASE

This Week, Ten Games Feature Two Undefeated Teams

After three weeks of play, 85 teams (about 1 out of every 5) remain undefeated. However, there are ten games that include *two* 3-0 teams. Enjoy some great football this weekend!

Games Featuring Two Undefeated Teams

Ratings shown are Wilson ratings in the school's classification

1A - #2 Linden at #22 Holy Spirit

2A - #18 Hale County at #11 Pickens County

2A - #10 Lineville at #4 Clay County

3A - #5 Dadeville at #9 Trinity Presbyterian

3A - #19 Abbeville at #13 Daleville

4A - #3 Cherokee County at #9 Oneonta

4A - #4 Jackson at #7 Andalusia

4A - #29 Calera at #15 Bibb County

5A - #3 Russellville at #4 Hartselle

5A - #5 Greenville at #45 Selma

Top 10 matchups include the games at Clay County (Ashland), Trinity (Montgomery), Oneonta, Andalusia, and Hartselle, all on Friday night. There is a good chance of rain Friday, but if you are nearby, please support these kids and go to a game. We plan to!

In other news, remember that this is a *reclassification* year. Attendance records at the start of this school year will help set the state's football and basketball alignments for 2010-2012. Final decisions will be made in early November. As soon as this information is released to the public, updated alignments and maps will be posted as quickly as possible.

Thank you very much for your continued support of Talisman Red computer ratings.

About TalismanRed.com: Providing accurate and timely scores, standings, and computer ratings for Alabama high school football since 2002, TalismanRed.com has become one of the premiere websites for information on Alabama high school athletics. The site is not affiliated with or sanctioned by the Alabama High School Athletic Association. TalismanRed.com also provides computer ratings for collegiate ice hockey and men's and women's basketball, since 2003.
